

"Education is not preparation for life; education is life itself."

CLASS – III

EXTENSIVE THEMATIC CURRICULUM

(2024-2025)

EXTENSIVE CURRICULUM

KALKA PUBLIC SCHOOL is strongly committed to **extensive education**, a **holistic approach** that unifies diverse subject matter around a central theme, creating a depth of interest and understanding often absent in traditional approach to curriculum.

VISION-A holistic curriculum for producing responsible citizens equipped with productive skills.

MISSION-To develop curricula and instructional materials for equitable and quality education through research, innovation and stakeholder involvement.

CORE VALUES- Team work, leadership, integrity, equity, excellence

KEY AREAS OF LEARNING

The teaching and learning staff team have worked together to build motivational and relevant themes which are focussed on the key areas of learning for our pupils.

Communication ; gross motor skills ; fine motor skills ; Thinking skills ; Personal and social development.

PUPILS INTERESTS

Each termly theme is based on our pupil's interests, the local environment access. We have to support our pupils learning both in school and in the community and extending their experiences beyond the local area.

PERSONALISED LEARNING:

We provide a learning journey which is unique to each child and which is based on learners ownership. It is practical, experiential and fun.

“ Personalised learning means engaging pupils in partnership with teachers and support staff to deliver a tailor made service for students, so that they can achieve the highest possible standards.”

HOLISTIC CURRICULUM:

Our holistic curriculum encourage children to make connection in a subject using their creative skills. It interest curiosity and develops better social and communication skills. Three
